**Street Lighting/Traffic Signal Faults** Tel: 01522 782070 email: [streetlighting@lincolnshire.gov.uk](mailto:streetlighting@lincolnshire.gov.uk)

### **Improvements to public right of way between Ascot Way & Mill Lane**

The Parish Council has successfully secured funding to facilitate improvements to the surface of the aforementioned bridleway which will allow residents of South Hykeham easier and more sustainable access to North Hykeham and vice versa. At present the two are mainly connected by roads, many of which do not have pavements making a car the only real safe means to travel between the two. The idea is to provide a safe and pleasant connection between North and South Hykeham which can easily be traversed by foot, cycle or on horseback in order to access the school at South Hykeham and a wider range of local services. Whilst the Parish Council has made some provision in its own budget for these improvements the project was reliant upon a successful grant

funding bid or matched funding from a partner organisation. The Parish Council is delighted to announce that Access Lincoln has agreed to match fund the project and what has been a dream will now become a reality.

It is hoped that the resurfacing will be completed by March 2020

The next stage is for the Parish Council to go through a tender process in accordance with its Financial Regulations. The services of a suitably qualified contractor will be engaged following that process in order to carry out the approved works.

Regular updates on the progress of this initiative will follow in due course.

### **LCC Highways – information on road closures**

For up to date information on future roadworks taking place in your locality contact LCC Highways on 01522 782070. <https://www.lincolnshire.gov.uk/transport-and-roads/traffic-management/roadworks/>

### **Lincs Community Speedwatch Initiative**

The Speed Indicator Device purchased by South Hykeham Parish Council is now up and running. The SID will be sited at different locations throughout South Hykeham on a rolling programme in order to tackle speeding issues throughout the Parish. Reports are regularly downloaded and submitted to the Police and Road Safety Partnership and the Police Beat Team has been carrying out enforcement at various locations where there is evidence of excessive speed and failure to comply with the speed limits in force.
