Bus shelter in vicinity of Thorpe Lane

The Parish Council is currently looking to replace the existing bus shelter with a structure that is more serviceable and is easier to clean. LCC has agreed to transfer the s106 planning gains (Highways element) which had been specifically detailed in a s106 agreement for an upgrade or replacement of the existing structure. As a result the council can oversee the project to replace the bus shelter which currently attracts a lot of anti-social behaviour with something more suitable for the location.
