Community engagements to highlight current scams and how to avoid becoming a victim.

WHAT'S BEEN HAPPENING

Operation to tackle anti-social behaviour

Officers continue to patrol areas of North Hykeham and Lincoln to tackle anti-social behaviour. We have been into all our local stores and have given them posters to display in relation to selling eggs and fireworks to under 18s.

PCSO Julie has been out and about with the EDDIE van with its large TV screen spreading the word about scams and despite the terrible weather gave out over 200 scam booklets. She will be popping into various coffee mornings to spread the word.

We have seen in the last week 2 cases of 'COURIER FRAUD' This is where a fraudster will contact you and say they are either from your bank or the police and will give you an elaborate story such as you money is not safe due to a bank staff member and you need to withdraw it, they will then send a courier around to your address to collect the money and deposit it safely for you. Another way is to say that your card has been compromised and they will send a courier to collect your card and you will have been tricked into

giving them your PIN. The police or your bank will never phone you and ask you to move money around or ask for your PIN. If in doubt put the phone down and ring the bank or police yourself, using a different phone, as the fraudster will remain on the line and not terminate the call, and check to see if they have called you.

ActionFraud

You may remember that we were going to be joined by Pc Sarah Kennedy, she has however now decided that she wants to stay where she is so will not be joining us. Pc Jordan Bathie-Drexler is now in post and has a few words to say.

New Community Beat Manager – Jordan Bathie-Drexler

I would like to take this opportunity to introduce myself to you. I recently landed at the station in N.Hykeham and must say that in the short time I have been there, how welcome I have felt when meeting colleagues and members of the community.

I have a wide range of experience of policing most recently coming from an investigative role within CID. I relish the opportunity for change and look forward to the new role within neighbourhood policing.

I am a Hykeham lad, growing up in the area and have a family members that still call it home. I have fond memories of growing up in the district and hope to be able to ensure the current residents can experience

the same feeling of security I did .

My plan moving forward is to gain an understanding of the current challenges that face the community and look to tackle any problems that may arise. I will try to join the team at as many public engagements as possible and try to offer my advice and experience to members of the community where appropriate.

Please feel free to say hello should you see me out on patrol and remember that as your local officer, your issues are my issues.

PC 839 BATHIE-DREXLER.
