### **To all Village Organisations**

#### **Annual Parish Meeting –2018.**

The 2018 Annual Parish Meeting will be held at South Hykeham Village Hall on Wednesday 11th April 2018 and will commence at 6.30pm.

The Parish Council would like to invite your organisation to send a representative to present a report to the meeting about your activities and achievements during 2017/2018. The Parish Council would ask that each report be no longer than 3 minutes and if your organisation wishes to produce printed copies of your report for those present to take away that is permissible.

The Parish Council hope that your organisation will be represented at the meeting.
