District and Parish Council Elections 4 May 2023

Could I be a parish councillor?

Parish Councils are the most local part of our democratic system and are closest to the public. Why don't you stand for your local parish council and see what a difference you can make to your local community? As a councillor you can become a voice for your community and effect real change. Councillors are community leaders and should represent the aspirations of the public that they serve.
