Joint Hykeham Neighbourhood Plan review

North and South Hykeham councils are looking into a review of the 2018 adopted Hykeham Joint Neighbourhood Plan which can be viewed through this link on NKDC website

Now is the opportunity to feed into this process and to see how future planning development proposals including the Hykeham Relief Road and the development of Grange Farm where around 2000 new dwellings are proposed will impact upon the community and local area. The NP covers matters such as housing, protection of green spaces, the environment and historical features all of which are important considerations when proposed planning developments coming forward. The Hykeham Councils have formed a steering group and would like to extend an invitation to interested parishioners and other stakeholders to join the group in order to raise the standards and quality of new home and businesses with infrastructure and amenities to support this expansion. The joint review will be led by both Councils but with parishioners having a say in what should be included in the revised NP.

To find out more about how you can be involved please contact the Clerk for information on forthcoming meetings and consultation events.

The adopted plan can also be accessed on South Hykeham Parish Council's website or for a hard copy contact the Clerk.
