

North Kesteven District Council would like to invite young people aged 5-18 living in the District to design a poster (with or without text) to demonstrate what we can do to help protect our planet. Posters will be used by the Council to promote environmental action across the district which could include being displayed on the side of waste collection lorries, in leaflets or other promotional materials. We would like your drawing to include one of the following themes:

1. **Reduce, reuse, recycle (minimise waste)**
2. **Reducing food waste / food waste recycling**
3. **Protecting nature and biodiversity**
4. **Transport e.g. walking, cycling, car-sharing, public transport**
5. **Reducing plastics and litter**
6. **Supporting renewable energy**

Unleash your imagination to create an original design using any medium e.g. paint, wax crayons, pens or colouring pencils.

Digital artwork, digital graphics and collages are not eligible.

Your information will be processed in accordance with the Data Protection Act 2018. By signing this form, I give permission for my child's name, age and winning design to be published to credit them with taking part in the climate poster challenge.
